

GSA VETS 2 GWAC

VETS 2 Industry Partners (V2IP)

- ★ National Veteran Small Business Coalition (NVSBC) promotes V2IP throughout its chapters building networking capabilities and mentorship at no cost to Government or VETS 2 Prime awardees and their staff.
- ★ V2IP is an industry coalition representing the 70 GSA VETS 2 GWAC prime awardees
- ★ V2IP markets to and educates civilian and DoD agencies on the features and benefits of the acquisition vehicle
- ★ V2IP discusses, networks, and shares the proven capabilities of the prime contractors

BEST-IN-CLASS (BIC) MATTERS

- Category Management involves organizing spending and managing spending as strategic units based on solutions and services desired.
- The goal of Category Management is to deliver savings and operating efficiencies.
- BIC is an acquisition designation for government wide vehicles.
- BIC is one strategy of Category Management.
- Office of Management & Budget (OMB) Memo M-19-13 endorses BIC as preferred solution and labels BIC vehicles as a Tier 3 (top tier) tool.
