The Nation's Leading Veteran
Training, Networking, and
Advocacy Event for
Federal Contractors

NVSBC WELCOMES YOU TO **VETS26!**

The National Veteran Small Business Coalition (NVSBC) invites you to participate in the VETS26 Conference. The Conference will be held in New Orleans, Louisiana on June 1-4, 2026.

VETS26 continues our 14-year tradition of delivering the leading Veteran Small Business Conference providing a business-focused environment to deliver on the three core components of the NVSBC Mission – Training, Networking, and Advocacy.

VETS26 provides small business owners, large business partners, vendors, and government leaders the opportunity to meet and build new business development teams and partnerships. VETERANS MEAN BUSINESS explores timely and innovative strategies to capture new Federal business. VETS26 is the must-attend Conference of 2026!

VETS26 will bring together participants from government, small and large businesses, and Veteran-focused associations and service organizations. The Conference fulfills the NVSBC Mission of Training, featuring 4 days of keynote presentations, general sessions, and breakout strategy sessions focused on Federal procurement trends, business opportunities, fed policy impact on agency acquisition, and other government contracting focused topics.

VETS26 offers Networking opportunities all day, every day at breakfasts, coffee breaks, luncheons, evening receptions, and other informal gathering sessions.

VETS26 provides the latest trends and updates on NVSBC's market-leading federal Advocacy initiatives and what they mean to your small business. The exhibit hall, a VETS26 key destination, features over 100 organizations showcasing their products and services to key small business decision makers.

Training **Networking** Advocacy

"As the owner of a service-disabled veteran-owned small business, our growth relies not just on our own ability to identify and pursue new opportunities, but through partnering with companies that share our core values and beliefs that also have capabilities of their own that complement or supplement our own strengths. Over the years, the NVSBC VETS Conferences have presented many opportunities for us to meet like-minded professionals, helping us to foster that opportunity for growth."

—Robert Santmyer, President & CEO,
PenBay Technology Group LLC
