Since 2018, Deaf Intervention Services has provided advocacy, interpreting, and consultation services to address the needs of the Deaf and hard of hearing citizens of Wyoming, Kansas, and Colorado. Scott Foor established DeafIS to empower Deaf citizens to actively seek assistance developing a Commission for the Deaf in Wyoming, provide advocacy support for employment and court related issues, and to provide certified interpreters who accurately convey the message and intent of a Deaf citizen. When the needs are identified, new services are added.
