

## COMPANY OVERVIEW

Business Prep is equipped to support the mission of government and commercial organizations. Our team consists of military-trained professionals with expertise in procurement, equipment maintenance, and facility operations. This includes seasoned Logisticians, skilled Equipment Technicians, and experienced Facility Managers. We provide a reliable, low-risk team focused on delivering high-quality results. As a veteran owned business, we are committed to excellence and proudly serve with the same dedication we brought to our military service.
