

Capabilities Statement

Helping Veterans utilize their existing skills to bridge their post-military careers.

Company Summary

KingFisher Services is a Service-Disabled Veteran-Owned Small Business, providing our customers training and consulting services. We provide professional development, continuous improvement, leadership, and specialized skills training to our clients, performed by veterans who have mastered these skills during their time in the service. Our training is available at your location, virtually, or on demand.

We facilitate the transition of veterans into our communities, by providing them the opportunity to share their experience and knowledge. We can conduct your training events across the street, across the country, or across the globe. We are client-focused, community-based, and veteran-centric. Partner with us for your training needs. We are veterans helping veterans helping businesses.
