Company Overview

Startel - 2 is a minority and service-disabled veteran owned freight transportation arrangement company with over 30 years of industry experience.

Our vision is to deliver the finest logistics and transportation service experience to our customers in their respective marketplace. Our prime vertical markets are in logistics, federal government project support, aerospace and defense retail, and consumer logistics. We have staff with various linguistic skills (including Russian), strong industry contacts, and can handle all types of jobs due to our trusted partners.

Contact us today about our company and capabilities within the federal marketplace.
