- Infrastructure Installation/Upgrades
- Civil Site Work, Underground Utilities, Earthwork
- Horizontal Construction (Roadways, Parking, Runways, Sidewalks, Etc.)

Dominguez Design-Build, Inc. (DDB) is a General Contractor whose construction services include Design/Build and Design/Bid-Build work; new construction and renovation; historic restoration; demolition, roofing repair and replacement; facility repair and maintenance; infrastructure installation and upgrades; underground utilities, earthwork, site preparation; and horizontal construction (civil).

DDB has been managing multi-discipline general construction projects continuously since its establishment as a Certified General Contractor in 2012. DDB is an expanding company currently headquartered in Pensacola, FL with satellite offices in Jacksonville, FL and Anniston, Alabama. DDB is licensed as a general contractor in AL, Florida and Mississippi. We are dedicated to providing support services to the local and Federal Government, as well as our Commercial clients.

We provide General Construction / Contracting services with a specialized team of experts that will deliver quality, best value and on-time solutions to your construction needs from start to finish. Our strengths are the individuals we employ and their technical expertise and knowledge of safety and construction disciplines.

The firm earned its strong reputable position in the market through integrity, hard work and experience.
