About Us

MC3 Solutions, LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) providing high-quality services throughout the Mid-Atlantic region. Built on a foundation of disciplined project management, technical expertise, and a deep commitment to safety and quality, our team delivers a full range of construction and engineering solutions, including demolition, steel erection, metal roofing, drywall, concrete work, carpentry, plumbing, and more.

We proudly serve federal, state, and local government clients, as well as the private sector. Our certified project managers, licensed engineers, and quality control managers ensure smart planning, hands-on leadership, and lasting results. As a veteran-owned business, we understand mission-driven success and align with our clients' strategic initiatives to deliver precision, accountability, and results.
