POWDER RIVER INDUSTRIES

Powder River Industries creates secure architecture design, transition and implementation within bare metal frame and cloud environments (Microsoft Azure, AWS, Oracle).

Phone: 307.761.9300 **Email:** yolanda@PowderRiverIndustries.com **Website:** PowderRiverIndustries.com

Differentiators:

- ISO 9001: 2015 Certified
- Top Secret & Q Facility Clearance
- CONUS/OCONUS Support
- Multi-state service and work locations
- Financially responsible for scaling
- Multi-certified to meet small business goals

Data Center Operations

Deliver secure, highly available data center operations supporting 24x7 missions, optimizing uptime, capacity, compliance, change management, disaster recovery, and service performance

System Development Life Cycle

Design, build, operate, maintain, regulated secure enterprise networks, HPCs, and super computers up to 37,000 users

CM/DM, Integrated Logistics, and help desk

CONUS and OCONUS

50+ Sites

Cyber

Policy compliance, integration, test, sustainment, software/ hardware modification, performance evaluation

Security management, testing, quality assurance and sustainment requirments, identity management, audit C&A

Contract Vehicles

Prime

TSS - NNSA
ISS/CYBER BQA -YI2 NNSA
8a STARS IIII
(JV, OXEN Designs, 8NXQ2)
Seaport N&G
NIST CMTC MCSA
Wyoming ETS

Subcontract

OPM PHSBS
USAF TADS
WWHWSW
NSF ITMAS
VA BARS
DMDC GEMS
DMDC EMITS
USACE RITS
DIA EDSE

Past Performance

U.S. Army Corps of Engineers
DoD Manpower Data Center
U.S. Air Force, U.S. Navy
Defense Intelligence Agency
National Nuclear Security Administration
Office of Personnel Management
National Science Foundation
Veterans Administration
