Our mission is to deliver disciplined site mobilization and operational support to help make construction projects organized, compliant, and ready to perform from day one.

Company Overview

Site Set Pro (SSP) provides construction-phase site mobilization, temporary infrastructure, and compliance-driven support services for public and private sector projects. We specialize in simplifying complex site setups by consolidating vendors, coordinating logistics, and helping to make construction sites operational, compliant, and ready to perform from day one.

Our team bridges the gap between planning and execution - helping owners, contractors, and agencies reduce risk, improve safety, and accelerate project startup.

Differentiators

- Construction-Phase Focus – We specialize in the most overlooked and risk-sensitive phase of a project: site setup and early operations.
- Vendor Consolidation Model – One point of coordination for multiple site services, reducing administrative burden and schedule risk.
- Compliance-Driven Approach – Safety, environmental, and regulatory requirements integrated into site planning - not treated as afterthoughts.
- Scalable Support – Services tailored to individual task orders, IDIQs, and phased project delivery.
- Owner & Contractor Mindset – We understand how sites actually operate in the field, not just how they're drawn.
