TESTUDO

SUMMARY

Testudo Logistics is committed to excellence in clinical and non-clinical staffing for healthcare clients. As an SBA Service-Disabled Veteran-Owned Small Business (SDVOSB) and GSA 621i Professional & Allied Health Staffing Services contract holder 36F79726D0046, our mission is to provide high-quality nationwide and global staffing solutions while creating meaningful career opportunities for healthcare professionals, including those who have served in the military.

Testudo was founded by a former Army occupational therapist with firsthand experience in both military and civilian healthcare settings. With a PhD in rehabilitation science and deep insight into what healthcare professionals seek in an employer, Testudo was built to bridge the gap—connecting top talent with positions that truly fit their needs.

Whether sourcing top-tier clinical professionals, supporting health system initiatives, or ensuring continuity of care in military and veteran healthcare systems, Testudo remains a trusted partner dedicated to delivering results.

Differentiators

When you partner with Testudo, you work with a committed team dedicated to exceeding your expectations.

Industry-Leading Retention
Our ability to retain top professionals ensures continuity of care and workforce stability.
